Hello Families, in order to reopen as safely as possible CW established temporary new policies and procedures. These policies are effective beginning on Sept. 8, 2020. Please read each item below, sign and return to CW before the first day of school.

_____, parent of _____ agree on behalf of myself and my family to the following:

- I will not bring/send unnecessary items into the program. This includes the storing of car seats.
- I will use the door buzzer when dropping off my child late or picking up my child early and wait outside for a preschool staff member to assist me.
- If I bring my child, it is because I took his temperature prior to leaving our home and it was normal and everyone in our home is healthy and symptom free, with no known exposure to COVID 19 or international travel.
- I understand that my child will have his temperature taken daily before entering the center.
- If my child shows signs of illness during care, I, or another authorized person, will retrieve my child within 60 minutes.
- If I enter the building, I will have my temperature taken, wear a mask and will practice proper social distancing while on program premises. I will sanitize my hands when I enter and wash with soap and water as soon as it is available. Only 1 family member is permitted at a time.
- I understand this situation is fluid and subject to change per state, other local authority, and program needs.
- I understand failure to follow these new safety guidelines may result in dismissal from the program.
- I understand that the preschool is following CDC recommendations and State guidelines for re-opening but that there is no way to achieve an exposure risk of 0% to Covid-19 or other illnesses.
